Work sample for Bluefors

Digital Playbook: homepage audit, KPI framework, Q4 2026 content calendar and LinkedIn drafts. Attached to this application.

Digital marketing professional with 13 years in Finnish B2B tech. I own websites, brand and content end to end, from marketing strategy and campaign planning to production and publishing. I combine creative work with performance data to decide what to do next, and I keep the brand consistent across every channel.

Experience

May 2023 – Present
Helsinki, Finland

Videobot

Visual Brand Manager · Content Strategist & Producer

- Manage the company website and improve its UX/UI
- Develop marketing strategies that grow brand visibility
- Combine creative ideas with data to deliver effective campaigns
- Create content tailored to each target audience across web, social and video
- Lead brand initiatives that keep the visual identity strong and consistent

Feb 2020 – Jan 2023
Helsinki, Finland

Leadoo

Visual Brand Designer · UI/UX Designer · Video Producer

- Managed website content and UI design, working with the WordPress developer to keep the site up to date and user-friendly
- Shaped the company's brand identity and visual design
- Ran video production end to end: strategy, scripting, filming, editing and publishing
- Created marketing materials and maintained brand asset libraries

Sep 2015 – Feb 2020
Helsinki, Finland

Management Events

Video Marketing Specialist

- Supported lead generation through targeted video production
- Turned prospects into customers through compelling content
- Boosted brand visibility across operations in 11 countries
- Built the company's online presence on YouTube
