Thank *you*

Thank you for choosing the Round Robin & Ladder Organizer. It takes the paperwork out of running social tennis, leagues and club ladders.

WHAT'S INCLUDED

Round Robin & Ladder Organizer — Excel file that also works in Google Sheets and Apple Numbers

Draw Sheets — printable score grids, schedule, pairing charts and a ladder board

This guide — setup steps and tips

i. Setup

Name your event, enter the number of courts and the points for a win or tie, then list up to 16 players or doubles teams from the top, with no gaps.

ii. Schedule

The full schedule builds itself: everyone meets everyone once, with court numbers. With an odd number of players, one player rests each round.

iii. Scores

Type the games each side won, for example 6 and 4. The winner, standings and results grid all update instantly.

iv. Standings

Players are ranked by points, then game difference, then games won. Print the standings for the noticeboard.

BEFORE YOUR FIRST EVENT

The sample players and scores show how everything works. Clear the cream cells on Setup, the Games columns on Schedule, and the Ladder and Challenges tabs, then add your own.

ROUND ROBIN SIZES AT A GLANCE

PLAYERS	ROUNDS	MATCHES	COURTS FOR NO WAITING	TIME WITH 25-MINUTE ROUNDS
4	3	6	2	about 1 h 15 min
5	5	10	2	about 2 h 05 min
6	5	15	3	about 2 h 05 min
8	7	28	4	about 2 h 55 min
10	9	45	5	about 3 h 45 min
12	11	66	6	about 4 h 35 min
16	15	120	8	about 6 h 15 min

Quick *tips*

i. Google Sheets

Upload the .xlsx file to Google Drive, open it, then choose File › Save as Google Sheets.

ii. Excel & Numbers

Open the file directly. Everything works in Microsoft Excel and Apple Numbers.

iii. Ladder

List players in starting order on the Ladder tab. Log each challenge on the Challenges tab: pick the challenger, the defender and who won. The live ladder updates by itself.

iv. Paper days

Print the Draw Sheets PDF for events without a laptop. The pairing charts tell you who plays whom in every round.

TIPS FOR GREAT ROUND ROBINS

Short formats keep everyone moving: one set to 6, a pro set to 8, or timed rounds of 20–25 minutes with the score as it stands. In timed rounds a tie is fine — set the points for a tie on the Setup tab. If players change after scores are entered, clear the scores first.

Need help?

Send me a message on Etsy and I'll reply as soon as I can. If you enjoy the organizer, a review helps a small studio more than you know.

Terms of use

For use by the buyer, their club or their team. Please don't share, resell or redistribute the files. Not affiliated with any tennis tournament, tour or governing body.
