Profile

Marketing professional with **10+ years** turning brand direction into campaigns and content that people notice and act on. I have built and protected brand identities, supported brand visibility and lead generation across **11 countries**, and run my own marketing business since 2013. I like being the person who connects strategy, sales and the people doing the work.

Brand ownership

Led visual identity and brand consistency at two Finnish tech companies.

Multi-market activation

Supported lead generation and brand visibility in 11 countries.

Commercial mindset

Runs own business since 2013: clients, pricing, budgets and delivery.

Experience

May 2023 –

Present

Helsinki, Finland

Videobot

Visual Brand Manager · Content Strategist & Producer

- › Lead brand initiatives that keep a strong, consistent identity across every channel
- › Develop marketing strategies to grow brand visibility, and blend creative ideas with performance data
- › Plan and create content tailored to each target audience and buying stage
- › Own the company website and improve its UX/UI to support conversion

Feb 2020 – Jan 2023
