

The *Gilded* Year

UNDATED LUXURY PLANNER

This year belongs to _____

ENTER

PLAN BEAUTIFULLY · LIVE INTENTIONALLY

A NOTE BEFORE YOU BEGIN

Welcome

Your year deserves the same care you give to everything you love. This planner was designed to make every plan feel like a quiet luxury.

The Gilded Year is fully undated, so you can begin on any day, in any month, of any year. Every page is hyperlinked: tap the tabs along the right edge to move between months and sections, and tap the gold diamond in the corner of any page to return to the index.

i. Import

Open the PDF in GoodNotes, Notability, Noteshelf, Xodo or any PDF annotation app. Import as a new notebook so the links stay active.

ii. Navigate

Use the side tabs for months and sections. On each month, tap Week 1–5, Habits or Review to jump straight to that page.

iii. Personalise

Write your own dates into the small circles on each calendar. Duplicate any page in your app whenever you need more.

iv. Print

Prefer paper? Print on US Letter or A4 with “fit to page”. Heavyweight ivory or cream stock gives the most luxurious finish.

For personal use only. Thank you for supporting a small studio.
